EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Nick Rouse on 4/19/06. The application has been amended as follows:

1. In Claim 43, line 4, "associated with" has been changed to --mounted on--
2. In Claim 43, line 6, "attachable" has been changed to --removably attached--
3. In claim 43, line 9, "a lever connected" has been changed to --a lever pivotally connected--
4. In Claim 43, line 15-17, the phrase, "and positioned on the lift member, the lever being engaged with the lift member to permit the lift member to be rotated toward the load supporting" has been amended as follows: --and positioned on the lift member, wherein the lift member is rotated to the load supporting--
5. In claim 62, line 2, "parallel relationship to the tire" has been changed to --parallel relationship with a sidewall of the tire--
6. Claims 67-70 have been cancelled.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art does not show a storage rack having the three-part lever/ramp, lift member, and load support structure as defined by applicants claim 43, as amended herein. The examiner required the amendment to further define the connection between the lever and lift member, the connection between the bracket and the tailgate, and the

movement of the lift member to the load supporting structure, as opposed to merely toward, or in the direction of the load supporting structure by lifting the lever.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
